Sir:

In response to the Office Action dated April 26, 2002, for which a three month time extension is requested to extend the period set for response to Monday, October 28, 2002, please amend the above-identified application as follows:

In the Specification:

21
Page 14, line *19* through page 16, line 6, please replace the paragraph with the following paragraph (a markup to show the changes made is provided at the end of the response):

--The above embodiment is directed to the process of producing the color hologram display 27' of the present invention using the character hologram plate 1' (Fig. 4) and the subject hologram plate 21' (Fig. 6). However, the color hologram display of the present invention may be produced more easily as explained with reference to Fig. 8. As shown in Fig. 8, another volume
